

Montana's introduces our monthly wine experience for beginners. "Wine Snobs" need not apply as this is an opportunity for regular folks to learn about the basics of wine and have a great time doing it. On **Tuesday, August 3rd at 5:30pm** we will welcome Perry Cox with Pernod Ricard USA. Perry will share his terrific Brancott wines from New Zealand. For only \$9 per person, you will get to taste multiple wines and eat great food provided by Montana's. Oh yeah, one more thing....you may actually learn a thing or two about wine. Space is limited for this wine event, so please email us at: [thenewmontanas@aol.com](mailto:thenewmontanas@aol.com) or call us at 815-BEAR (2327) to reserve your wine glass!
